A Season and A Reason for Thanks...

Let us reflect on the past events that have shaped our year & let us give thanks for the good that has happened. 2016 has been a great year for the Tupelo Elvis Fan Club!

We have enjoyed the following successes:

- \*Monthly meeting attendance averaging 80+ members.
- \*Increased annual Fan Club Scholarships to \$10,000.
- \*Newly designed website & Facebook Page with more professional web presence. [www.TupeloElvisFanClub.com](http://www.TupeloElvisFanClub.com)  
[www.facebook.com/tupeloelvisfanclub/](http://www.facebook.com/tupeloelvisfanclub/)
- \*Conducted several successful concerts/events benefiting the Fan Club and local charities.
- \*Increased our Presenting Sponsor support of Dancing With The King.

As your Fan Club President for the past 2 years I can honestly say it has been a pleasure to see all of the wonderful people, my Fan Club Family, coming together for the purpose of promoting the Legacy of Elvis and supporting our youth and less fortunate. With many people pitching in and pulling on the rope at the same time and never giving up WE have been able to accomplish more than one could have imagined. I am humbled by the selflessness of our members and strengthened by the commitment each has for the continued success of this club!

With all this success comes responsibility. I have full faith and confidence in our new officers to lead us to even greater heights. We, as members have the responsibility to get behind these new officers, and the Fan Club, to support them however we can. One way to show your support is to renew your annual membership on or before January 8th. Annual renewal is \$25. Membership fees are a MAIN source of revenue for the club, if you are a lifetime member please consider an annual "Love Offering" of \$25 or more. If you are fortunate enough to be in a position to give more and desire a tax deductible benefit, we, as a partner with CREATE FOUNDATION, can arrange that as well.

In closing, I want to thank each officer that has served with me these past two years, each committee chairperson and committee member, they have all worked diligently to ensure the Tupelo Elvis Fan Club's success!

I am truly, truly honored to have served as your Tupelo Elvis Fan Club President for 2015 & 2016.
